Mathematical Methods in Economics and Finance publishes original papers that contribute to the theory, methodology and applications in the areas of mathematics for economics, financial mathematics, mathematical finance, actuarial mathematics, management science and operational research.

Papers may be submitted to any member of the Editorial Board both via ordinary mail to the address: Dipartimento di Matematica Applicata, Università Ca' Foscari di Venezia, Dorsoduro n. 3825/E, 30123 – Venezia (Italia), and via electronic mail to the address: mmef@unive.it.

Papers must be written in English according to the journal formatting guidelines (please download and use the template file *mmef-Template.zip* from the journal website).

All submitted papers will be blind peer reviewed by at least two anonymous referees.

Free download of published papers are also available from the website of the journal.
